This tournament we did some experimenting with our line-up and moved the singles players to the #2 doubles spot to see how they would compete there. They did ok, but they really show greater strength in the singles positions. At the Scott City meet next week the #1 Doubles team will be sitting out and we will have challenges to fill the extra position. This gives the #2 doubles team an opportunity to get some wins at the #1 spot and gives a #3 doubles team the opportunity to get some varsity action.

Our season is now half over, and we know the areas we need to work on. I'm beginning to feel a bit more pressure for the rest of the season. The girls seem eager to step it up a notch, so we will see what we can get done.
